### THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Brentwood on Tuesday, the 14th day of March next, at 10 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such an audit.

4. To see if the Town will vote to request the State Tax Commission to make a complete reappraisal of the lands and buildings within the Town to equalize valuations in accordance with the Law, and to appropriate money for this purpose.

5. To see what action the Town will take in regard to a street light at Wood's Corner and Crawley Falls.

6. To see what action the Town will take in establishing and maintaining a Town Dump.

7. To see if the Town will legalize the game of Beano and grant permits for same.

8. To see what action the voters wish to take on the Sunday operation of the Drive In Theatre.

9. By request of Ernest Sanborn: To see if the Town will vote to clean up the Old Cemetery, repair the fence and appropriate one hundred dollars for same.

10. At the request of the Brentwood Fire Department: To see if the Town will authorize the purchase of a Cab and Chassis, and Tank, for the building of a Tank Truck. The cost not to exceed (\$500.00) five hundred dollars.

11. By request of John Dudley and fourteen others: To see if the Town will vote to revert to the original time of conducting the business articles in the Town warrant, instead of our present evening method. Article 1 to be taken care of in the intervening time.

12. To see what action the Town will take to complete the Tractor House at an estimated cost of \$250.00 and appropriate the same.

13. To see if the Town will vote to authorize the Selectmen to borrow \$8,000 in anticipation of taxes.

14. To transact any other business that may legally come before this meeting.

Given under our hands and seal this seventeenth day of February, in the year of our Lord nineteen hundred and fifty.

ALBERT C. SAMPSON,  
LeROY M. LAKE,  
SIDNEY NORTHRUP,  
Selectmen of Brentwood.

A true copy of Warrant—Attest:

## Report of Fire Department

---

### Forest Fires—Our Most Shameful Waste

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU.

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.

3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

### REPORT OF BRENTWOOD VOLUNTEER FIRE DEPT.

---

We of the Brentwood Volunteer Fire Department submit the following report of the year's activities and calls. Below are listed the type of calls and estimated damage:

Chimney Fires	5	\$ 50.00
Forest and Grass	4	100.00
Oil Burners	3	100.00
Car	1	_____
Wagon	1	_____
False Alarms	3	_____
Removing Cow from bog hole	1	_____
Camp or dwelling	1	500.00
	<hr/> 19	<hr/> \$750.00

In the last listed fire the occupant lost his life, but due to the type of building and no facilities to report the fire, the only thing our department could do was wet down the embers and protect nearby property. Since this fire we have had a telephone installed in the home of the deputy

chief for direct calls and we are of the opinion that much valuable time can be saved in the future.

In regard to the list of calls responded to, we would like to point out that considerable property damage could have resulted, had we not been prompt and had the equipment to control the fire before it gained headway.

By having our equipment ready for use we had only one occasion to call out of town for help. At the O'Connor forest or dump fire it was necessary to call in Kingston to assist in hauling water due to the extremely dry conditions and high winds, a large area of slash and woodlands in the vicinity being endangered. All water had to be hauled a distance of one mile and we were afraid of an outbreak while our tank was being re-charged. By mutual agreement nearby towns do not charge for assistance if our equipment is in order and ready for call. But if our truck is not in us there is a charge of \$25.00 to \$50.00 depending on the type of fire or amount of work extinguishing same. In other words the department has saved the taxpayer of Brentwood approximately \$750.00 by having an active fire department with available equipment.

In case of forest or grass fires of large areas, the state and town share the cost of extinction equally. Due to the extremely dry season and prompt response of the department we were very fortunate in not having any forest or grass land fires of large area.

May we urge all of the residents of Brentwood to contact your fire warden or department chief before starting any brush or grass fires, as it may save us a lot of precious time and you a lot of valuable property.

The Firemen's Association would like to take this opportunity to thank all the people of Brentwood and surrounding towns for the excellent co-operation and help we have received in completing our fire house and hall. As you know the Firemen's Association has not asked or received any of the tax payers money in the erection or construction

of the building. All money received was by contribution or profits of our carnivals, card parties or other activities. May we thank you again for your splendid co-operation, your generous contributions and many other favors too numerous to mention.

Respectfully submitted,

GEORGE SANBORN,

Chief.

SID PARSLEY,

Deputy Chief.

BILL YEANEY,

President of the Association.

In case, of fire call the Kingston telephone operator, stating location of fire, name and place, and operator will call the proper number and persons. Never try to get through a personal call to chief or deputy chief as it takes up valuable time, and time means a great deal in such an emergency.

The operator has her instructions and will gladly and efficiently co-operate. Help us, by helping to prevent all fires.

BRENTWOOD VOLUNTEER FIRE DEPARTMENT.

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Brentwood qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 4th day of March 1950, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund

together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District wishes to hold the annual school district meeting at night.

10. To see if the District wishes to continue the present building committee to work with the school board to continue building plans for the new centralized school.

11. To see if the District will authorize the school board to proceed with the construction and equipping of a new school this year if it can be built with funds available.

12. To see if the District will vote to borrow a sum not exceeding thirty thousand dollars (\$30,000), (to be used with \$20,000 in Capital Reserve Fund and on deposit in Trust Fund Account), for the purpose of constructing and equipping a new central school, and to issue and sell in connection with such borrowing, notes and/or bonds of the School District of the Town of Brentwood in the principal amount not exceeding Thirty Thousand Dollars (\$30,000), such notes and/or bonds to be issued pursuant to Chapter 72 of the Revised Laws of 1942, as amended and in accordance with Chapter 55 of the Laws of 1949, payable exclusively from funds to be raised from taxation, maturing during a fifteen year period, principal payable in annual installments of two thousand dollars (\$2,000) each year, the first installment to be payable one year from date of said notes and/or bonds, to be sold for not less than par, the time and place of payment of principal and interest, the fixing of the rate of interest, the provisions for the sale of the notes and/or bonds and all other matters in connection therewith to be left to the discretion of the school board.

13. To see if the School District will vote to authorize the school board to execute any and all contracts or agree-

ments, necessary, proper or advisable in connection with the construction and equipping of a school building.

14. To transact any other business which may legally come before this meeting.

GLADYS E. McCOY,  
BARBARA NORTHRUP,  
BLANCHE LIBBY,  
School Board of Brentwood.

## Superintendent's Report

---

January 24, 1950

To the School Board and Citizens of Brentwood:

It is with pleasure that I submit my third annual report as Superintendent of your schools.

This past year was indeed an unsettled one for education. The legislature cut state aid to schools from \$2,000,000 back to \$400,000. This fact seems unbelievable when it is generally understood that education is the basis of our democracy. The school children of today will be the citizens of tomorrow.

As a part of this report, there will be a page devoted to Return of District Revenue, which shows the actual budget that the School District is using for the current year (1949-50). This is also a result of legislative action.

The expenses for the Supervisory Union have also been changed. Formerly all towns in this union paid their share of expense according to their number of teachers. Now it must be divided equally between equalized valuation (1949) and average daily membership. Brentwood's share of Union expenses is approximately 7%.

### TEACHERS

Mrs. Helen Amazeen of East Kingston, has been employed to teach in the South Road School as an additional teacher. The enrollment in the first three grades would have been so large that it would have been impossible to house all of the pupils in the Crawley Falls School. Brentwood has been fortunate in retaining Mrs. Brown and Miss Favor for another year and these teachers along with Mrs.

Amazeen give Brentwood an excellent teaching force. Their work with the pupils in the class room and in public performances has been excellent.

In closing I wish to express my thanks and appreciation to the School Board, citizens, teachers and pupils of Brentwood who have been so cooperative and helpful during the past year.

Respectfully submitted,

ARTHUR W. DANIELSON,  
Superintendent.

## Report of Music Teacher

---

To the Superintendent and School Board of Brentwood,  
New Hampshire:

The aims of our school music program are to create a love of good music on the part of the child and also create intellectual development. School music is a recreation and a pleasure. There is more art in music than in math. It is also a mental developer. Many people don't look at music from an intellectual standpoint, but from a cultural standpoint.

Christmas programs this year were held at the various schools. The programs included singing, rhythmic work through folk dancing and short plays and recitations.

Tentative plans have been made for a Folk Song and Dance Festival which will include students from the entire union. A Festival of this sort enables the students to associate with many children of their own age.

In addition to the above, the usual program has been carried out. Each child has been given instruction in music theory, music appreciation and folk dancing appropriate to his grade.

I wish to express my appreciation to the School Board, superintendent, teachers, parents, and pupils for their co-operation.

Respectfully submitted,

JEAN L. READIO.

## Health Supervision

---

To the Superintendent of Schools and the School Board of Brentwood, N. H.:

The school year from September 1948 to June 1949 was a very busy one and much progress has been made in the health education of our school children.

The yearly health examination which includes all but heart and lungs was carried out, and there has constantly been close contact with each pupil for periodic examinations of head, skin, and contagious diseases.

Every parent wants his child to have good health. We know that the first essential to good health is a sound, sturdy body.

A public service is being rendered by everyone who in cooperation with the school nurse and teachers is seeking to make adequate diet, physical well-being, and health education available to every child in your community.

We must continue and further all health activities striving to improve the teeth, eyes, posture and nutrition in our school children.

The purchase of the new audiometer equipment by the Union for use in all towns is a valuable addition. This instrument detects any hearing loss.

A Spring Round-Up was conducted. A complete physical examination including eyes and ears of all children entering school in the fall was done by Dr. Houston of Exeter. The motive was to secure correction during the summer of any defects apparent at the testing time, and to acquaint the child with school life and the teacher. This proved to

be very successful and is well worth continuing. Milk is provided at school for those who want it.

To all school officials, teachers and citizen assistants who by their individual and collective services are helping to maintain the health efficiency of your schools, there is here expressed the deep appreciation and thanks of your school nurse.

Respectfully submitted,

CONSTANCE COOPER, R. N.
